Term 2 Newsletter

What we are learning about:

Numeracy

Mental Maths

This term we will be focusing on multiplication and division. It would be helpful to practice timetables with your children to help build their confidence in recalling timetable facts.

Numeracy

This term we will be focusing on measurement, money and time. We will be learning to use a range of instruments to estimate and compare length, capacity, weight and area. We are learning to pay for and give change for goods up to £10. We are also learning to tell the time to five minute intervals.

Literacy

Reading

We will be continuing to focus on reading with increasing fluency and expression. As well as using the before, during and after reading strategies. Note taking will be a focus to help our listening and comprehension skills.

Writing

This term we will be focusing on creating information reports and persuasive writing. We will be looking at how we can up-level our writing.

Religious Education

In RE this term we have been remembering loved ones during the month of all souls and learning about God's role in helping people through difficult times. We will be learning about Advent and revisiting the story of the Nativity.

Things to remember...

P.E: Our P.E days are a Monday and Tuesday. The children must bring a change of clothes on these days. No jewellery permitted. As Autumn turns into winter we will still have opportunities to have outdoor learning so please ensure they have appropriate jackets and footwear is worn to school.

Homework: Children will have spelling and literacy/ numeracy tasks each week on Showbie and, if they so wish, can access Sumdog at home as well. If you are struggling to access either, please let me know.

Please remember that we have children in the school with nut allergies so please be mindful when packing lunches/snacks.

Our Topic....

This term we are researching various important geographical locations and historical moments within the local area. We are exploring timelines to help our sequencing of key events in local modern history.
