ST.FILLAN'S P.S.

Newsletter Friday 5th March 2021

Dear Parents and Carers,

As we approach the spring evenings and hopefully improving weather we continue to appreciate all the hard work from our parents to support your children both with the return to school for our Nursery to P3 children as well as the parents supporting their children at home with their remote learning. Our hard working teachers greatly appreciate the efforts made by everyone.

Update on returning to school building

You will no doubt be aware that the Scottish Government has announced provisional plans for children to begin returning to schools from Primary 4-7 from the 15th of March. Maureen McKenna has written a letter to all parents. You can read the letter [here](#).

Health and Safety reminders

Thank you to everyone for adhering to our request for all parents and children to move quickly away from the school grounds after collection or drop off times and going straight home. Please remember only one adult per child at collection and drop off points and please always wear a mask when dropping off or collecting your child at school.

Parent phone calls

In March we usually have our second Parents' Evening of the year. This year our teachers will make contact with you via phone call. These phone calls will be an opportunity for the teacher to discuss your child's progress. These calls will take place from the 8th to 22nd March and between the hours of 9am and 3.30pm. P4-7 parents have already received their time and P1-3 will hear from us over the next few days.

Please continue to get in touch with the school [here](#) via the form system. The form is also available on the school website.

Thank you for all your continued support. We hope you have a peaceful and relaxing weekend.

Mr Bourke

Head Teacher.
