

St Oswald's Secondary

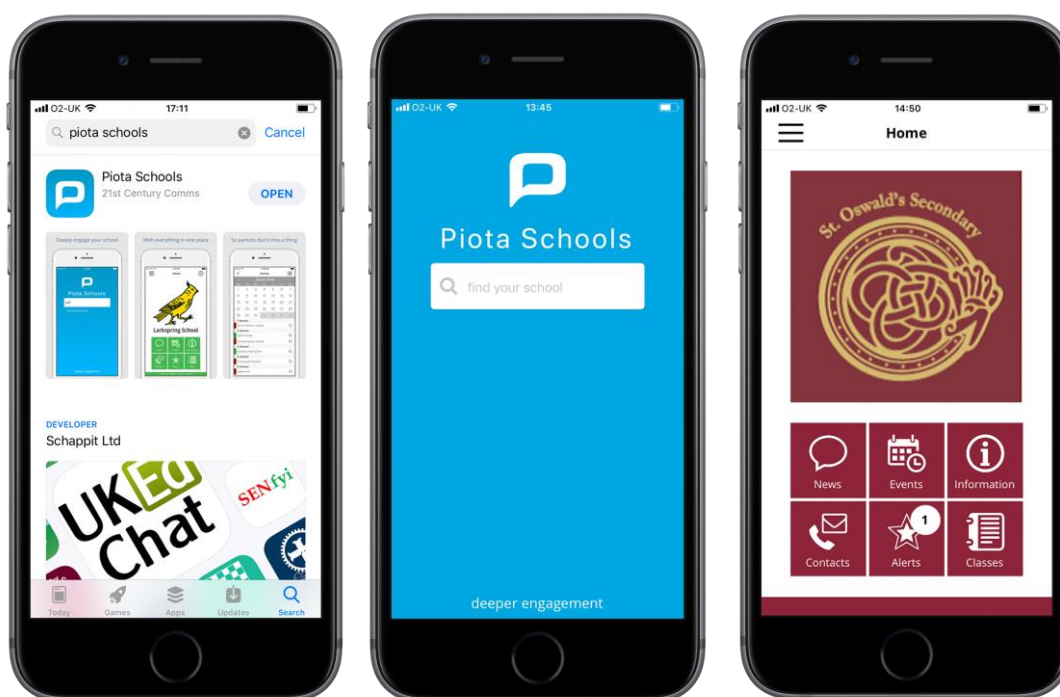

Introducing our new **SCHOOL APP!**

With our school app, you can quickly and easily receive messages, notifications and alerts directly to your phone or tablet. It's the ideal way for parents and carers to find out information about events, term dates, school news and more.

It can be downloaded **free** from both Apple and Android app stores.

A school app is a must in the 21st Century, with smartphones being the most effective method of communication in all areas of life, including schools. Using the app can improve parental engagement and help us get your feedback.

In your smartphone app store:

Search Piota Schools Enter St Oswald's Secondary You are all set!
Set up push notifications to receive alerts when new information is added.

The days of unread emails, missed phone calls and lost newsletters will become a thing of the past!
